

K9 NOSE/SCENT WORK® WITH BOB BOYLES

Search with a Pattern

Bob Boyles

will give a day workshop with specialized search training.

Robert Boyles, a retired professional canine handler, professional canine odor detection trainer, canine sport judge, and all around working dog super fan.

He will offer his experience and understanding on how to train teams and what to look for in a top-notch team, and ultimately, he will share his passion for the art of canine odor detection with anyone and everyone.

If you like more info check out his webpage

"The Art of Odor"

You may recognize **Bob Boyles** as a judge at your last k9 nose/scent work trials.

Any team can improve and grow with his guidance – join us!

Optimize your training and plan for success by learning how search with a patter!

This class would not be appropriate for teams who cannot consistently locate target odor and identify basic alerts or changes in behavior.

What is the purpose of detailing and patterning?

What are the benefits?

- The basic box drills
- The wall
- Breaking down the search environment
- Vehicle search
- Simple interior
